Commercial terms

Clause	Contract term
Subscription	SEK 12,000 per month, excluding VAT, for up to 20 named users.
Implementation	One-time SEK 10,000, invoiced once at commencement.
Annual price change	Up to 4%, only on or after each 12-month anniversary, with at least 30 days' written notice. No adjustment before 1 June 2026.
Extra users	SEK 250 per extra user/month only if an order form is signed by both parties.
Support and platform fees	Business-hours support is included. No separate platform or priority-support fee unless added by a signed order form.
Data processing and SLA	DPA is attached to the signed order form; monthly availability target 99.5%.

How to test

An adjustment during June 2025 is premature. A 3% increase from 1 June 2026 is allowed only if written notice was sent at least 30 days earlier. Do not treat a price change allowed after the anniversary as unauthorized in every invoice.
